FILING RECEIPT**

Applicants request that a corrected Filing Receipt be issued in the above-captioned patent application. The corrections to be made on the Filing Receipt are indicated in red ink on the attached marked-up copy of the Updated Filing Receipt of March 29, 2004. Specifically, the correct Title is "*Disposable Absorbent Article with Wetness Indicator.*" Applicants' application filed on September 24, 2003, correctly identified the title on the front of the application and the Utility Patent Application Transmittal (PTO/SB/05), and would appreciate a corrected Filing Receipt to confirm that the change has been made.
